Re: Application of Duke Energy Carolinas for Authority to Adjust and Increase its
Electric Rates and Charges - Expiration of Nuclear Insurance Reserve Rider (SC)
Docket No. 2009-226-E

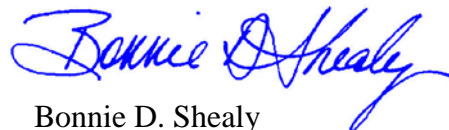

Dear Ms. Boyd:

Duke Energy Carolinas, LLC ("Duke" or the "Company") encloses for filing the Company's Nuclear Insurance Reserve Rider (SC) ("Rider"), showing the Rider's expiration effective February 1, 2012.

The Rider was established in Order No. 2010-79, the *Order Approving Increase in Electric Rates and Charges* ("Order"), issued by the Public Service Commission of South Carolina ("Commission") on January 27, 2010 in Docket No. 2009-226-E. The revenue increase approved in that general rate case was subject to a decrement rider to flow to the Company's South Carolina retail customers \$13,000,000 per year for a period of two years. This represented a portion of the monies previously accumulated in the Company's nuclear insurance reserve account from insurance dividends. The Commission approved the two-year decrement Rider as just and reasonable. (Order, p. 13). The Rider went into effect on February 1, 2010; accordingly, the Rider expires effective February 1, 2012. Please contact me if you have any questions.

Very truly yours,

ROBINSON, MCFADDEN & MOORE, P.C.
